I'm writing to ask **"would you consider a Christmas donation today to CHRI, your radio station"?**

You've been a donor in the past and this year with so much talk about stress, the need for a local Christian broadcast in your city is greater than ever.

J. emails that, "Your programs have helped to save our marriage, set us financially straight and led us to our new, less complicated life". She has hope today, and **there are, "brighter days" ahead.**

Families, are stronger with CHRI. K. writes, "CHRI has been a comfort in tough times, raising four children (teenagers) on my own. Haven't been able to get out to church lately so CHRI has been a great support."

No matter what you're going through there is tremendous value in knowing that **"somebody loves you"** and be assured that this "somebody", listens to your heart, knows what you need most and will provide it with grace!

L. writes, "Thank you for the work you guys do. I sometimes find God talking to me through a song I'm listening to on CHRI."

These and so many more testimonies end with, "thank you CHRI for saving my marriage", or "for helping me forgive the ones who hurt me", and "for providing me with daily reminders that I'm not alone". **The creator of the universe knows you and loves you. In fact, He loved the world, so much that "He sent His only begotten son" to save us!**

And that's how our amazing journey together began, with the story of **the First Christmas.**

Please join us in reaching out to hundreds of thousands in our listening area this Christmas by considering **donating your Christmas gift of \$30 a month* (that's one tax deductible dollar a day!)**

Be a donor today and together we'll make sure that many more listeners will start 2024 well, finding hope in Jesus Christ. And, **every donation you give, helps keep CHRI on the air**, every day.

"Somebody Loves You". **His name is Jesus Christ, born to Mary and Joseph in Bethlehem**, let's tell the world together.

Thank you and Merry Christmas to you and yours!
